There is no objection to extend them to non-gazetted Officers. The allowances they will get will not usually compensate them for the extra leave & spend a good deal from their pockets. It does not seem necessary to make any distinction in such cases being dealt with on its merits. If any such distinction is made it will affect chiefly the Edn dept— where the distinction Gazetted Officer is not based on any clear principles or rules. We should give special facilities to the Edn dept & local pupils & Officers to go abroad
